Overview: Current country program established in 1986. Focus is on export-oriented enterprise development, with an emphasis on agriculture and agro-processing activities. USADF currently manages a portfolio of **14 projects**. Total commitment is **\$2.1 million**.

Grantee	Duration	Value	Summary
Tanzania Organic Certification Association (TanCert) 1955-TAN	2009-2013	\$234,962	Crop Production and Support (Organic Certification): Tanzania Organic Certification Association provides organic certification and inspection to more than 7,500 farmers across Tanzania. To help TanCert provide more cost-effective and comprehensive services to farmers, USADF helps TanCert expand its operations, provide improved extension services to farmers, and offer more sophisticated organic testing analysis.
Lupembe Farmers Cooperative Joint Enterprise Ltd. 1984-TAN	2009-2013	\$247,606	Agriculture (Tea): Lupembe Farmers Cooperative is a cooperative located in the Iringa Region that grows, processes, and markets green leaf tea for export. USADF grant funds support the cooperative to organize inputs, provide extension services, collect and deliver tea to the processing facilities and manage a centralized cooperative farm.
Manyara Ranch Livestock Producers Association (MRALIPA) 2225-TAN	2010-2013	\$193,399	Agriculture (Livestock Production): (MRALIPA) is an apex association that was formed to supply high quality cattle, sheep, and goats to the Manyara Ranch in Monduli District of the Arusha Region. USADF funds are used to provide members with advanced training in marketing, financial management, and institutional development; provide farmers with trainings to improve livestock quality; provide farmers access to micro loans; link local livestock keepers with available market opportunities and provide livestock keepers with veterinary and extension services.
Mbingu Organic Cocoa Outgrowers Association (MOCOA) 2335-TAN	2011-2014	\$141,018	Agriculture (Cocoa): (MOCOA) is a farmers' association located in the Morogoro region of Tanzania that provides support to smallholder farmers in the growing and marketing of organic and conventional cocoa. USADF grant funds are used to train association members, and improve production, marketing and export of certified organic cocoa.
Pemba Clove Honey Cooperative (PCHC) 2367-TAN	2011-2013	\$86,643	Agriculture (Honey): Pemba Clove Honey Cooperative is a beekeepers association with 30 members (12 women) in Pemba North Region. USADF funds are used to organize and train bee farmers and develop modern beehives for honey production.
Association of Mango Growers (AMAGRO) 2370-TAN	2011-2014	\$152,152	Agriculture (Mango): AMAGRO is a farmers' association located in Dar es Salaam that aims to promote, develop, and safeguard the interests of mango farmers so mango farming can be a leading and sustainable economic activity. USADF funds are used to improve the production and marketing of mango products.
PRADO Rice Commercialization and Capacity Building 2387-TAN	2011-2013	\$92,339	Agriculture (Rice and Banana): PRADO currently works with 100 smallholder farmers on Pemba Island to improve rice and banana cultivation and farmer knowledge of irrigation system maintenance and application. USADF funds are used for improved management systems, training materials, and refurbishment of demonstration farm plots.

Grantee	Duration	Value	Summary
FUFO Fishing Capacity Building Project 2402-TAN	2011-2013	\$61,516	Aquaculture (Fish): FUFO is a cooperative of 120 members that provides training in improved fishing techniques and fishery management. USADF funds are used for developing personnel and accounting systems as well as to purchase modern fishing gear and a new fishing vessel.
Jumuiya ya Wakulima wa kilimo hai usambara mashariki (JUWAKIHUMA) 2462-TAN	2011-2014	\$211,167	Agro-Processing (Spices): JUWAKIHUMA is a registered society with 720 members based in the Tanga Region that processes and sells organic spices. USADF funding helps JUWAKIHUMA improve members' production by managing revolving funds to purchase fertilizers and seedlings.
Gando Farmers Association (GAFA) 2487-TAN	2011-2014	\$158,820	Agriculture (Spices): Gando Farmers Association (GAFA) is an association of more than 3,000 farmers based in Pemba that produces and sells organic spices. This isolated, remote island is an underserved and underdeveloped area of Tanzania. USADF funds help GAFA to process and package their spices for increased sales in diversified markets.
UWAMWIMA Fresh Vegetables and Fruits Production and Marketing 2585-TAN	2012-2014	\$94,975	Agriculture (Vegetables): The Association of High Quality Vegetables and Fruits Farmers in the West District of Zanzibar (UWAMWIMA) composed of 787 members (275 women) aims to take advantage of the unmet demand for high quality organically-produced vegetables and fruits in the local, regional, and export markets.
Association of Grain Producers in Kongwa District (CHAWANAKO) 2625-TAN	2012-2014	\$74,481	Agriculture (Maize): CHAWANAKO is a maize growing association in Kongwa District with 1,792 members (1,095 women). With USADF support the group is in the process of establishing a Warehouse Receipt System through which members can access working capital based on their grain stocks held as collateral.
Mang'ula Farmer's Association (MAFA) 2664-TAN	2012-2013	\$96,256	Agriculture (Rice): MAFA is a rice milling association in Kilombero composed of 107 current members (69 females). USADF funds are used to implement rotating inputs and crop purchase funds as well as to train farmers on business skills and strengthen internal capacity and systems.
HomeVeg Tanzania Ltd. 2690-TAN	2012-2014	\$240,120	Agriculture (Vegetables): HomeVeg is a Tanzanian-owned enterprise based in northern Tanzania that exports fresh vegetables to Europe. USADF funds are used to train smallholder growers on proper production and harvesting methods to ensure maximum produce is sold at export prices, thus increasing the income of individual farmers.
